FORM A - EACA Registered Candidate

EVANGELICAL ANGLICAN CHURCH IN AMERICA

I, _____, hereby understand that upon acceptance of this statement and application to Anglican Institute for Affirmative Christian Studies (AIACS), my name will be added to the active clergy roster as a postulant of the Evangelical Anglican Church in America (EACA).

I affirm that it is with every intention that I enter the AIACS to pursue active ministry within the EACA. I understand that should I decide to enter another jurisdiction or denomination, my student record will be changed to reflect an additional fee per course as a Non-EACA candidate.

I understand that pursuant to EACA Canon I, Section 4*, all requisites to ordination will be met through my studies with AIACS and that upon completion I am to be presented to the Council of Bishops as a candidate for ordination.
